

CONNECTING EMPLOYERS TO IMMIGRANT TALENT

Immemploy is an immigrant employment council that connects employers with immigrant talent to foster economic prosperity.

SOURCE LOCALLY. HIRE GLOBALLY.

Formerly called the LMIEC (London–Middlesex Immigrant Employment Council), we rebranded to represent our growth outside of London and to continue to link employers to effective tools and resources for recruiting, hiring, and retaining skilled immigrants. Immploy has also become an invaluable knowledge sharing network of business leaders who have experienced the benefits of hiring globally. Visit immploy.ca for more information.

Mentorship

Immploy Mentorship programs brings together immigrant talent with volunteer mentors at local companies. The programs strengthen leadership, coaching, and cross-cultural skills of company employees.

Job Match

Immploy Job Match provides employers across Southwestern Ontario coordinated access to qualified immigrant talent. We widen your search for employees to include top newcomer talent to help match the right candidate to the right job, fueling your company's and your community's growth.

This rebranding is not the result of any change in ownership and there will be no physical address change. Contact us at:
